

# BRIGHTER BEGINNINGS

Day Nurseries in Manchester and Oldham  
*Teacher-led education from birth to five years*

# BRIGHTER BEGINNINGS

## ***Welcome to Brighter Beginnings!***

*Above is a picture of one of our playrooms. This represents the high quality environments that we have across all our nurseries. Every day our first-class practitioners enhance these play rooms to make them different and inviting so children are enthusiastic to play and learn.*

***Please call now for a show-around!***

## Our Nurseries

**Brighter Beginnings** is a family of outstanding nurseries in Manchester and Oldham. We are a leading provider of quality in the early years sector. Some of our settings also include out of school and holiday clubs. We deliver affordable childcare and education from birth to 5 years for working parents. We also offer **free entitlement** of 15 hours per week for all 3-and-4-year-olds and qualifying 2-year-olds, as well as 30 hours per week for working parents who are eligible to claim.

**Brighter Minds** is the provision for older 3-year-olds in our nurseries. It is led by all-year-round Early Years Teachers and our own Early Years Teacher Consultants. We provide working parents with full time, all-year-round childcare along with first-class early education at an affordable price.

**Our mission** is to provide high quality childcare and education along with preparation for school in a well organised, calm, safe and secure environment. We believe children should have equal opportunity to grow and learn as individuals through provision of a rich curriculum – one that is based on play and inclusivity.

MINDS** 

## The learning journey begins here!

### *Communication and Language*

*Babies and young children need to learn to think and talk, share ideas and communicate. Adults plan exciting things for the children to do. They interact with them, talking to and with them, asking questions, encouraging speech and teaching them new words. Children need a wide vocabulary and to be able to express themselves – this helps early reading and writing skills to develop.*

***Every Child a Talker!***

***Ofsted Says:***

***“The nursery is a beacon of exceptional practice and the nursery holds high status within the community” - Ofsted 2017***

### ***Personal, Social and Emotional Development***

*Playing and learning in groups helps develop the social skills children need to get on with other children and adults. Sharing and taking turns helps promote good behaviour and prepares children for their next steps to school. Children succeed best in their education when they are confident and have been well prepared for school.*

### ***Physical Development***

*Getting active is important for healthy growth and development. Physical health is directly linked to emotional wellbeing and mental health. Let's all get active!*

### *Understanding the World*

*The world is a new and wonderful place for young children. Our 'fascination traps' captivate and engage them so we can teach them about the world, encouraging them to become curious and interested in many things.*

### *Imaginative Play*

*Children have great fun expressing themselves. They love to dress up and role-play – they can be someone else in another world; they can play games and practice acting, singing and dancing. Children build both confidence and resilience through lots of opportunities to perform and present to adults, and to each other.*

### *Creative Expression*

*Painting, making, modelling, building – children love arts and crafts. They learn many skills safely using scissors, paintbrushes and glue sticks – which all helps promote fine motor control. Creating a work of art is great fun and develops a real sense of achievement, especially when it goes on the wall at home!*

***Ofsted Says:  
“Children show intrigue and fascination and are highly motivated to learn” - Ofsted 2015***

### ***Getting Ready for School with Brighter Minds at Brighter Beginnings.***

*Brighter Minds has been developed to give parents choice. With Brighter Beginnings teachers and teaching consultants you can keep your child in their full time all-year-round nursery setting until they get a firm offer of a reception class place in school. It is now more convenient than ever to stay in nursery – you can be sure your child will be ready with the skills and confidence they need to make a success of school.*

### ***Literacy & Numeracy***

*Children enjoy learning about letters, sounds, counting and numbers through a wide range of fun activities and games. This gets children off to a flying start. Schools say “We can always tell which children have attended Brighter Beginnings.”*

### ***Ofsted Says Our Children:***

***“...develop exceptional speaking and listening skills and have an enthusiasm for reading”***  
***“...show exceptional mathematical skills as they count and discuss capacity” - Ofsted 2017***

### *The Early-Years Teacher*

*Our Brighter Minds programme means that Early Years Teachers, Teacher Consultants and Teaching Assistants plan and deliver our school-readiness programme, making the transition to school easy and fun. Working with our schools means the children know what to expect, so they settle quickly into nursery or reception class routines.*

*Ofsted Says:*

*“Children’s laughter fills the air of this first rate nursery.”*

*- Ofsted 2017*

*“All children are confident, settled and display high levels of self-esteem and emotional well-being” - Ofsted 2016*

*Graduation Day!*

*Children and parents celebrate the end of their journey with us and the start of their new and exciting journey in school. We have introduced them to a wide range of knowledge and taught them many skills, but our main aim has been to teach them that learning is fun!*

**Tasha F.**

*"Absolutely great! My son started off nonverbal, struggled to pronounce his words, he can now count and knows every single colour" 5 Stars*

**Ben C.**

*"Well what can we say, Brighter Beginnings have been great for our little boy. We are so sad he has had to leave today." 5 Stars*

**Kallistah T.**

*"Can't thank her and all the other staff enough for all their help and encouragement they gave my girl" 5 Stars*

**Nicky S.**

*"Superb, caring staff full of great ideas to entertain and educate the children, and always something exciting and new going on" 5 Stars*

**Roisin F.**

*"Can't speak highly enough of Brighter Beginnings. Wonderful owners; outstanding, caring and all round amazing staff" 5 Stars*
